Just a Note of Thanks! to Dr. James Ward + Staff,

I wanted to take a moment to thank Dr. James Ward and his excellent staff for:

① Getting me in for an extraction with virtually ~~no~~ no notice.

② Taking me with a very short wait despite many patients in the waiting area.

③ The very professional and compassionate care rendered by all of the staff despite a hectic patient load.

④ Dr. Ward's professionalism and attention to pain levels (and his sense of humor!)

⑤ and MOST OF ALL - MY PAIN IS GONE! THERE WAS NO PAIN FROM THE EXTRACTION THE NEXT DAY!! AMAZING!

THANK YOU ALL!

Walter (Ed) Montz

P.S. My pain is fully gone for the first time in 2 yrs!

Dr Ward & Staff,

I was in your office on Wednesday
9-17-14 for #31 extraction & received
exceptional care! Everyone was
so nice & thoughtful. I am doing
well. The extra added bonus was
receiving your phone call asking
how I was. With all the procedures

that I have had, never has a
doctor called to check up on me
the day after! Thank you for a
pain free math.

Warm Regards,

Sharon Cabral-Smith
